

HUNT GROUP

INTERNATIONAL ARMS & SECURITY

**“Harmony of modern technology and
traditional art”**

About Us

Established in 1992, **Hunt Group Arms** is one of the most well known firearms manufacturer in Turkey.

Having started to export activities in the year 2008, by **Hunt Group International Arms & Security Company**, which aims to establish one of the biggest shotgun sales network in the World.

We have been manufacturing and exporting variety kinds of firearms and airguns by combining modern technology and high quality. We are manufacturing and exporting semi automatic (inertia), magazine fed semi automatic, pump action, magazine fed pump action, over&under, side by side, single barrel shotguns in different qualities and standarts, on the other hand we are able to supply air rifles, PCP air rifles and blank pistols to approximately 30 countries, where are European countries (have the **C.I.P** test procedures), USA, Middle East, Asia and America.

“Our motto is providing our clients high quality standarts with affordable prices”

This principle is **Hunt Group International Arms & Security Company's** main philosophy and distinctiveness.
