**TWO MAGAZINE OPTION**

1: Saiga magazine (Can be found easily everywhere).

2: Hunt Group magazine with adapter (especially used for IPSC, practical shooters and competitions)  
 When the hook is pressed, the magazine throws itself out & spare magazine is fed immediately during shooting competitions. It is especially designed for practical shooters.

Gun works with spring in the stock like AR-15 tube style, So if stock is removed the gun will not work even with the pistol grip.
